

President Falk stated that he had driven through Birchwood Falls looking for the pile of bricks and dirt dumped on one of the vacant lots and which a resident had complained about at the last meeting. He asked Mr. Bohach what he saw when he had gone to look for it. He said that all looked fine to him. There was one lot that had a small pile of loose gravel but that was all he saw.

A motion was made by Trombetta seconded by Skocich and carried to adjourn at 7:18 pm.

Respectfully submitted,

Diane R. McKay
Borough Secretary
